

POWERBAR® 100% WHEY PROTEIN ISOLATE
Premium whey protein without sugar and fat* - the perfect protein
choice post training
* per prepared product

Product description

Many athletes often tend to underestimate the importance of protein and recovery for athletic success. After you put your muscles under a lot of stress during training, providing the right nutrients for repair and re-growth is key! Muscles need protein as "building blocks" to support muscle growth and maintenance. PROTEIN PLUS 100% WHEY ISOLATE contains only premium quality whey protein isolate and thus is the perfect protein choice post training. Whey protein is a rapidly absorbed protein source providing amino acids to the body. The product is sugar and fat free and has no peer as a premium quality protein source. For all athletes who want to support training adaptations after exercising and reach their full athletic potential.

- Premium quality whey protein isolate including 5,5 g of BCAAs (L-Leucine, L-Isoleucine, L-Valine) per serving (depending on flavour)
- BCAAs (L-Leucine, L-Isoleucine, L-Valine) are naturally occurring in protein
- Protein supports muscle growth and maintenance
- Free from sugar and fat! (per prepared product)
- With natural flavours
- Without stabilizers and aspartame
- Delicious taste and great solubility
- Suitable for vegetarians
