**DIRECTIONS:** For 1 serving add 250 ml water, juice or milk (milk has additional nutrients). Drink a serving preferably right after training. Additional servings can optionally be consumed during the day. Use this product in conjunction with food. It is not intended to be used in place of normally balanced diet. WARRIOR JUICE is rich in high-quality proteins and particularly well balanced with regard to the BCAAs (Branch Chain Amino Acids) found in it. Estimated daily requirement: 28 g. This makes WARRIOR JUICE a well-balanced formula that can assist those who train and are looking for more than the average amount of protein they are getting in their regular diet.

**WARRIOR JUICE** is a 50%-50% fusion of high-quality milk proteins and popular extra free amino acids fortified with more than the 100% RDA of Vitamin C per serving! Our protein blend is half Whey Protein and half undenatured Micellar Casein (instead of denatured, lower quality Caseinate)! This makes WARRIOR JUICE a well-balanced formula that can assist those who train and are looking for more than the average amount of protein they are getting in their regular diet.

**Dietary proteins are the source of nitrogen and indispensable amino acids, which the body requires for tissue growth and maintenance and growth of muscles and cells in the maintenance of normal function.**
